From Mayor Sandra Lundstrom

If you're driving on SD Hwy 18 through Canton, stop and give us a look. We are rich in history and gearing up for the future.

The old railroad depot has been moved from its original location and is now housed by the railroad tracks on Hwy 18 in town as the Canton Depot Museum and visitor center. We are nestled in the valley by the Big Sioux River with some pretty spectacular views.

As a stand-alone community, we are the county seat of Lincoln County, the fastest growing county in the state. Currently, the Justice Center is being constructed on the west edge of town.

Canton is also fortunate that we have our own weekly newspaper, The Sioux Valley News. A great way to learn about our community is to read about us in the paper. Our schools are second to none and offer a setting for the youth to be recognized by name and not as a number. As a caring community our teachers and coaches not only teach academics but also incorporate family values while coaching sports. Our performing arts center is a hub of activity

for all with plays and concerts for the schools and the Canton Performing Arts Council schedules performers throughout the year.

The Canton Public Library is fully engaged in our community and offers many activities to the youth of the city. The swimming pool we have been planning for years is completed and this summer, the pool will be filled with the community members of all ages. We are excited to see and hear our kids in the new pool enjoying the hot summer days.

A new housing development will be starting this summer on the east edge of town near the Sanford Canton-Inwood Medical Center and the Hiawatha Golf Course. Speaking of the golf course, we have a nine-hole golf course that won't disappoint. It is a member owned golf course and is full of action all summer. The clubhouse is also newly remodeled and updated. Check it out.

Our industrial park has seen a lot of action this last year and is nearly full. Plans to expand are now a topic for conversation. Three brand new businesses have been built this last year. The Lincoln County courthouse is expanding, moving the Courtrooms and some offices to a new Justice Center on the west edge of the city.

I'm extremely proud of our safety services in Canton. We have a Volunteer Fire Department,

and our Canton Police Department is fully staffed and ready to protect and serve our community, we also have an SRO in our school system for the protection of our children. The police department hosts an Easter Egg Hunt and a bike rodeo, just to name a couple of fun events. Sanford Hospital has a full-time ambulance service at the disposal of Canton and our surrounding community. Canton is on the verge of growing and with that, the possibilities are going to be exciting. We have so many businesses, there are just too many to list. With the growth of our housing availability, I'm sure we'll have many more business opportunities in town. It's a wonderful city in which to live and raise your family. I am lucky enough to have been born and raised in Canton and my memory bank is full of the wonderful life I've lived in this city, while raising my own family.

Welcome to Lincoln County

Lincoln County, located in southeastern South Dakota, was incorporated December 30, 1867. The Lincoln County Courthouse has marked the center of Canton, the county seat, for many years. The first Courthouse was erected and donated to Lincoln County in 1875 by the Canton Building and Improvement Association.

In 1889 a three and one-half story addition to the east side was built and ready for occupancy by February 1890. In 1899 the original courthouse was removed and the west addition was built and the clock tower was added. In May of 2008 construction was completed on a new Administration Building, which is a three-floor addition to the north side. It houses all of the county administrative offices. The historic building has been renovated to add needed space for Court Services.

A recently completed County Highway Department Building provides room for growth for many years in the future. The upcoming project for a County Justice Center is currently in motion and may provide the county much needed space for the following components such as courts, state's attorney offices, clerk of the courts, public defender, other county offices, sheriff's office, and a jail.

Lincoln County includes an area of 576 square miles and population of 65,161 at last census. Lincoln County is the fastest growing county in South Dakota.

Lincoln County Justice Center currently being built.

Celebrate Canton

Celebrate Canton started with a group of people in the community that wanted to see fun, family, and community come together. It originally started with a few events and now we have a total of 10 days of events. Events start the 3rd weekend of July with Depot Days. This 2 day event showcases the Depot Museum and a lot of Canton history. There are model train displays set up, vendors and food trucks.

There is a Community Church service held at Jack Fox Park where all the Canton Churches come together for breakfast in the park and church service.

The week is filled with Arts & Reading in the Park, Pool Party, Bike Rodeo & Parade, Town and Country Night, and National Night Out.

Saturday is packed with a parade, Fire Department water fights, music and vendors in the park, and much more. Saturday night cruise night takes over and the town comes alive with great looking old cars, music and lots of smiling faces.

The last day of the celebration is the Canton Car Show for Generations which is a free event.

Annual Chamber Awards

Citizens of the Year 2024 - Paul and Kim Sogn. As Coach Swenson read the accolades and stories from Canton souls blessed by these two incredible people such as "I was reminded of my own (first) encounter with Paul. I was new to town, and was unable to attend my father's funeral. With incredible compassion not expected from strangers, Paul delivered a gift to my door with his deepest sympathies. I don't remember what arrangement arrived but I certainly remember the compassion with which the gift was delivered." And so each story goes - Paul and Kim have blessed this community for decades with their thoughtful, selfless giving, from commemorative flags honoring our town's soldiers, to special deliveries filled with grace and compassion. We are blessed to have folks such as these among us.

Chamber President Lisa Hinker and Business of the Year Darin Hill, Owner of Sunshine Foods.

Jeremy Ask (2024 Citizen of the Year) Kim and Paul Song-2025 Citizens of the Year and Jeremy Swenson (2024 Citizen of the Year).

Organization of the Year 2024 was awarded to the Canton Fire Department. With gratitude the Chamber voted these incredible men, mostly volunteers to be recognized for their faithful service.

Business of the Year 2024 was awarded to the newly expanded Sunshine Foods. On top of the massive undertaking to renovate the store, Darin Hill and team spared no expense to ensure the town had drinking water and other supplies during the flood week and beyond. The updated and substantially enlarged footprint of the store has brought some life and treasure-hunt like fun to grocery shopping in our sweet town. With humble thanks and deep appreciation we applaud Team Sunshine Foods for Business of the Year.

Newton Hills State Park

A quiet, shady campground draws thousands of campers each year to Newton Hills. Campers can stay in the campground, in one of eight camping cabins or the group lodge.

The four-bedroom lodge is a favorite of large groups, particularly of families and groups of hunters or anglers. The lodge features two full baths, a full kitchen, an upper deck and lower walk-out patio. The lodge is furnished. Guests need to bring bedding, bath towels, personal items and food. Contact the park for more information.

After a day on the trail, horseback riders can head for the park's equestrian camp. The trail camp provides facilities for both day and overnight park users, which include vault toilets, water, large parking areas and day and overnight horse corrals.

If you are planning a family get-together, the park has 20' x 20' and 20' x 40' canopy tents available for rent. Please contact the park office for price/details.

Nature Observation

If you're interested in bird-watching, Newton Hills is definitely the place to be. More than 200 species of birds visit the area each year. White-tailed deer, wild turkeys, marmots, rabbits, red and gray fox and squirrels are also found within the park.

Archery deer and turkey hunting are allowed within the park during designated seasons, but uncased bows and firearms are not allowed within the park's campgrounds and picnic areas. Please refer to the hunting handbook for more information. State parks are closed to hunting from May 1 through Sept. 30 of each year.

A six-mile multi-use trail leads through dense oak and basswood forest. Woodland Trail is listed in the registry of National Recreation Trails.

FestiFALL/CandleLight Walk

Held each year on the first Saturday in October.

The popular FestiFALL event is attended annually by people of all ages, and features many family activities including arts and crafts

booths, kid's games and bluegrass music. Visitors are encouraged to bring in their own decorated or carved pumpkins for judging.

The Candlelight Walk leads visitors along 2.2 miles of candlelit trail through the deep woods of Newton Hills. The trail will be solely lit by candles and carved pumpkins. Throughout the weekend, campers are encouraged to decorate their campsites with a fall theme.

Nature & Recreational Programs

Newton Hills hosts an array of interpretive, educational and recreational activities during the summer season from Open House Weekend through Labor Day. Each program is geared for families with young children and will expose participants to the various natural and cultural features of the park and surrounding area. All of the programs are free to the public; however, a valid park entrance license is required on all vehicles entering the state park.

The amphitheater in the campground is the featured location for most of the programs. At least 3 programs are held every Saturday afternoon. Educational films are presented Friday and Saturday evenings at 9 p.m. The park also has a number of exciting lawn games, horseshoes, game balls, fishing poles, etc., to check out at the welcome center. GPS units are also available to go and search the park and find a geocache...what's a geocache? Check out www.geocaching.com for more information.

Please find nature programs and special event information listed under the 'events calendar' online at www.gfp.sd.gov. "What's Happening at Newton Hills" weekly emails are also sent out by the park each week. Please send an email to newtonhills@state.sd.us to get on the mailing list.

For any questions please contact the park at 605-987-2263 or email newtonhills@state.sd.us, and website: www.gfp.sd.gov.

Canton Community Aquatic Center

Introducing the breathtaking Canton Community Aquatic Center at Kennedy Park!

After nearly eight years of hard work and dedication by The Canton Pool Committee, the Canton community is set to dive into summer with the grand opening of its brand-new aquatic center. The facility, a labor of love for the pool committee, boasts a high dive, low dive, water walk, and an impressive aquatic play structure complete with multiple slides and exciting water features. Notably,

the state-of-the-art bathhouse will double as a category five storm shelter, providing safety and fun for all.

Pool committee chairman Todd Gannon expressed his gratitude, stating, "It's been an incredible journey, and I'm so proud of

the dedication our committee has shown. This project wouldn't be possible without the committees hard work and unwavering support from our community. We hope this facility becomes a cornerstone of our community and enjoyable place for everyone to spend summer."

Vice Chairman Curt Meendering added, "This aquatic center is going to be wonderful for the kids. It's a place where they can learn, play, and make memories for years to come."

As summer approaches, excitement builds for the opening of a facility that promises to make a big splash in Canton!

In addition to Gannon and Meendering, the pool committee also consists of John Ripley, Sandi Lundstrom, Gabe Devitt, Kaitlyn Peterson, Deb Pederson, Kamille Knutson, Erin Ockenga, and Sara Stephensen.

The pool committee is continuing to raise funds for extra amenities, like shade structures, picnic tables, and a sound system.

Performing Arts Center

The Canton Performing Arts Center (aka The PAC) is located at the Canton High School. The ground was broken in May of 2017 and the first event held was the annual Veteran's Day program in November of 2018.

The building is a one of a kind with 1000 seats, a ticket booth, concession stand, orchestra pit, dressing rooms and much more.

The PAC has had the pleasure of hosting such acts as Lori Line, an Eagles Tribute Band and Shaun Johnson, along with the Nutcracker

Ballet, the State One-Act play competition and multiple dance galleries and schools.

Some events have started using the building annually for their events, such as the Inspiration Hills annual concert and fundraiser, the Winter Wonderland Festival of Trees and Vendor Fair, the middle and high school musicals.

More information can be found on the Canton Performing Arts website.

Public Library

The Canton Public Library was built in 1989 in the former location of the historic Bandshell in Jack Fox Park in an effort to create a larger library space for the public. Prior to the library's completion, the facility had been located at the Canton Carnegie Public Library on the southwest corner of 4th Street and Lincoln, where the building still stands today as a private residence.

Today, the library regularly hosts the annual Summer Reading Program for young readers which features reading incentives for young readers, activities, special guests and more. Other popular events include weekly Story Time for children, Lego Club, Tail Waggin' Tutors, movie showings, Mr. Twister, and occasional book club meetings for adults.

The Canton Public Library also serves as a historical archive for the Canton area. Several different historical displays are featured year-round with artifacts and memorabilia from Canton's earliest days, as well as artwork from various local artists.

Senior Center

The current Canton Senior Center is located at 214 E. 4th Street and serves to provide fellowship, social gatherings, daily meals, and recreational and educational programs in a friendly manner for Canton area senior citizens.

Weekly center activities available for seniors are Mah Jong, Bridge and other card games, quilting and knitting activities, puzzles and Birthday Bingo on the first Monday of the month.

Future Canton Community Center

Canton Community Center Committee is getting closer to building a community center of 7,000 to 9,000 square feet located just north of the Canton Depot. With this space we will be able to incorporate a commercial kitchen, dining area, small event area, and multiple rooms for meetings, classes, and groups. The current Senior Nutrition Program, exercise classes, and recreational programs will continue to operate in the new Canton Community Center. Over the past few years, a small group has been hosting a variety of events including; Sunday breakfasts, concessions, Chase the Ace, raffles, and silent auctions to help make a new community center a reality. The group has raised a total of \$900,000, as of March 2025.

The new building can be a safe place for community members to go for socialization and learning. The opportunities are endless for groups or activities that could be hosted in the center. For this to happen in our community, it will require a partnership with

multiple different entities. The project will need to be functional first and then add on other areas as the needs of the community change. There will be room at the back of the lot open for growth opportunities and in the future room for a patio on the southeast side. The location already provides a sizable portion of the parking requirements needed with easy access points for the public. This new facility will provide classroom space, a large dining area for meal programs, a meeting hall, game room, a large kitchen for community events, and approximately 1200 sq. ft. for the Canton VFW and American Legion Posts.

A floor plan has developed, and the city is allowing them to build on the land north of the depot. Now the building process can start, and they may apply for more grants that are available. The total cost of this center is estimated at \$2 million. If all things fall into place, they hope to break ground for this facility in summer or fall 2025.

A Community of Foundations Helping Canton

Canton-Inwood Area Health Foundation-

The Canton-Inwood Area Health Foundation is a foundation with a mission to "inspire and engage philanthropic support for Sanford Canton-Inwood to improve the health and wellness of our communities." On Dec. 31, 2008, Canton-Inwood Memorial Hospital, clinic, Hiawatha Heights assisted living and related assets were purchased by Sanford Health. A portion of this sale, \$5 million, were used to start the Canton-Inwood Area Health Foundation. For more information about the Foundation or to make a donation, visit www.cantoninwoodfoundation.org.

The Jim Deinema Canton Community Foundation- The Jim Deinema Canton Community Foundation was formed in 1996 by Caroline Deinema. It was established to provide permanent charitable capital for the community. The foundation provides a source of grant funding for innovative community projects that benefit the citizens of Canton. The foundation is meant to perpetuate progress and growth in the community and accepts grant applications until Dec. 1. The application forms are at the Sioux Valley News, First American Bank, City Hall and the Canton Library.

Canton Public Schools K-12 Foundation - The Canton Public Schools K-12 Foundation is a non-profit organization that is committed to promoting and enhancing academic excellence in the Canton School District. It was established in 2008 and its funds are managed by the South Dakota Community Foundation in Pierre, SD. Activities of the K-12 Foundation are directed by a volunteer Board of Directors who represent business, education, and the Canton community. The vision and goals of the Foundation are:

- To provide supplemental funding
- Create and enrich programs in which our students and staff can achieve personal and academic success
- To promote community awareness of education and the Foundation

One of the activities that the Foundation sponsors and organizes is the annual CHS Scholastic Banquet. The K-12 Foundation also provides the funds given to the teacher who is recognized each year as the recipient of the Teacher of the Year award. Donations and memorials are always welcome and appreciated and may be sent to: Canton Public Schools K-12 Foundation, PO Box 332, Canton, SD 57013

Canton Public Schools ~ Home of the C-Hawks!

Lawrence Elementary

Lawrence Elementary School serves the educational needs of approximately 400 students in grades Pre-Kindergarten through fifth grade. All teachers are highly qualified and Canton Elementary students consistently score very high in the State required Dakota STEP scores.

Canton Middle School

The Canton Middle School is comprised of approximately 200 students in grades six through eight. Teachers have high expectations for their students, but also remain responsive to the many developmental needs of the adolescent learner as well. The Six Pillars of Character are promoted on a daily basis in an effort to create an atmosphere that promotes positive adolescent development.

Canton High School

The Canton High School is comprised of approximately 300 students in grades nine through twelve. CHS offers a challenging and viable curriculum that enables students to graduate as Regent Scholars and earn the South Dakota Opportunity Scholarship. A large percentage of Canton graduates go on to advance their education. CHS also offers a wide variety of co-curricular activities for students to choose from.

Canton Schools include a safe atmosphere, the ability for teachers to provide individual academic attention to all students and an opportunity for students to participate in several extra-curricular activities.

Aside from its excellent facilities and high quality of its teaching staff, several other attributes set the Canton School District apart from other districts in the area. The following features are just a few examples:

- A Commitment to Small Class Size
- Kinder Prep
- Early Childhood Education
- Before and After School Latchkey
- Student Achievement
- Co-Curricular Excellence
- Extra Curricular Activities

For more information on the Canton School District, visit: www.cantonsdk12.org

Veterans Banner Project

The Canton Small Business Group started a great way to honor the local Veterans. The Veterans Banner Project became reality and a few banners were displayed last year. A personalized flag will be displayed on the light poles in downtown Canton honoring Veterans.

Each banner is sponsored or purchased by the family of the Veterans being honored. The banner will be displayed from April 15 through November 15 of that year. After the said term, the family receives the flag or may chose to renew the flag for another term to be hung back up. The cost of the banners covers the materials and maintenance of each one to be sure they are in the best condition.

To qualify for the Veterans Banner Project the following criteria must be met:

- The honoree is a past or present member of the United States Armed Forces
- The honoree is a current, former or deceased resident within Lincoln County
- The honoree must have an honorable discharge
- The applicant must be the honoree or close living relative/associate to the honoree
- The right of use of the honoree's name, military service information and photograph submitted with the application must not have been assigned or transferred to another person

To purchase a banner or for more details contact Paul Sogn 605-368-0475 or Kim Sogn 605-310-5347.

MONDAY – FRIDAY • 7:30 A.M. - 7 P.M. SAT. • 8 A.M. - 6 P.M. ~ SUN. • NOON TO 4 P.M.

As of November 1, 2024 all the number of banners that can be displayed for the 2025 year have been sponsored and a waiting list has started for the next year. "I am humbled to have such a great response," expressed Kim Sogn. "We had an idea to start with 12 banners for this year as a trial, but we had that many sold within the first hour of announcing this project."

Applications can still be filled out for the future seasons by contacting Paul or Kim at The Garden Shed Floral.

The Canton Small Business Group (CSBG) was established in May of 2020 by a small handful of local downtown business owners. The purpose was to network together and establish their presence in the downtown area of Canton. They felt that as a group they could build each of their businesses and enhance and grow the downtown area. Meetings are on the 3rd Thursday of each month where they now meet at the Public Library.

Members come together and share ideas, successes and stories of their past month of business. Along with that they try to promote and expand ideas into the other downtown businesses. CSBG have done many events in the past such as Open Houses, Customer Appreciation Days, Crazy Days, and volunteered at community events.
